MEDICATION COMMITTEE MEETING

of the California Horse Racing Board Medication Committee will be held Monday, November 17, 2008, commencing at **3:30 p.m.**, at the California Animal Health and Food Safety Laboratory, University of California, Davis, Conference Room A, in the Maddy Laboratory, Davis, California. Non-committee Board members attending the committee meeting may not participate in the public discussion, official committee vote or committee closed session.

Agenda Items

1. Report and update by the University of California, Davis on the CHRB/UC Davis Postmortem Program.
2. Report and update by the University of California, Davis regarding ongoing research on racing injuries and track surfaces.
3. Report and update on the Equine Injury Database (EID) and pre-race examination module through the InCompass system.
4. Report and discussion regarding the development of a more thorough method of reporting and capturing information related to fatalities on racetracks under the jurisdiction of the CHRB.
5. Report and discussion of alternative total carbon dioxide testing (TCO2) monitoring strategies under CHRB Rule 1843.6, Total Carbon Dioxide Testing.
6. Discussion regarding regulatory changes to allow a racing secretary to write a race that prohibits the use of authorized bleeder medication by horses participating in the race.

Additional information regarding this meeting may be obtained from Jacqueline Wagner at the CHRB Administrative Office, 1010 Hurley Way, Suite 300, Sacramento, CA 95825; telephone (916) 263-6000; fax (916) 263-6042. A copy of this notice can be located on the CHRB website at www.chrb.ca.gov. *Information for requesting disability related accommodation for persons with a disability who require aids or services in order to participate in this public meeting, should contact Jacqueline Wagner.
